If youth Christian education is important to you...we need your help!

We are in need of teachers for the 8:30 and 10:15 Sunday school class of 3k-3rd graders. The lesson plans are provided along with all the classroom activities and handouts. If you can read a lesson out of the Spark story bible, start a discussion

with the kids with provided questions and lead them through an activity based on the lesson...you have the ability to help. You don't need to come early and with many teachers you don't need to teach every week. Prayerfully consider helping out. Sign-up on the kiosk in the narthex or contact Susie for more info (sselle@christ-the-king.org)
