Dear Members in Christ,

As you may be aware, Christ the King has been considering the possibility of enhancing and expanding our facilities. Last winter we completed a campaign readiness study which indicated the congregation believes these improvements are important. After evaluating the results of the campaign readiness study, and special congregational meeting, May 22, the church council and congregation have decided to move forward with a Building & Renovation Campaign to finance these projects.

The purpose of this letter is to introduce the ***Preserving Our Past...Building Our Future*** Building & Renovation Campaign, describing our desire to recognize how God, the many who created and sustained our church in the past and how we are building for future generations. The two of us will lead this effort with a Building & Renovation Campaign Committee pictured below.

The Building & Renovation Campaign Committee: (back row) Dennis Lahti, Mary Ann Otto, Rick Barnaal, Leon Hatzenbihler, Pastor Nate Gauerke, (front row) Whitney Davy – Mark Davy & Associates, Patti Vanden Bosch, Lynn Mehlberg, Wendy Diem, Craig Kandler, and Cheri Clark not pictured as she is taking the photo.

In the coming months you will be receiving more information while having opportunities to ask questions and provide further input before being asked to participate. Included with this letter are some frequently asked questions and answers regarding the campaign. Please know that we will continue to provide information and updates before asking members to make a financial commitment.

As we continue this effort, please pray that God will continue to bless our church and campaign.

In Christ,

Wendy L. Diem
